

When and Where Date:

April 10th, 2023

Start: 2:00 pm

End: 3:00 pm

Location: Online (Discord)

Role

Team Leader: Anthony Clavette

Recorder/Timekeeper: Youmeng Hin

Attending Members: Ian Catania, Anthony Clavette, Youmeng Hin

1. Objective

- a. Every member needs to provide status update for their last week assigned tasks
- b. Determine the next step for development of application based on status update
- c. Plan and assign remaining development tasks

2. Status

- a. Reservations page is completed, calendar interface is now fixed
- b. Membership page is functioning properly
- c. Reservations page still needs a final minor patch for checking duplicated reservations
- d. Database failure and conflicts resolved

3. Discussion

- a. Fix Reservations page accepting duplicated reservations
- b. Discuss final UI touches; any touch-up to be added to UI to make it look nicer

4. Wrap-up

Proceed with the final development stage and continue looking for, if any, uncompleted requirements. Goal for next week is to complete UI final touches.
